## JANUARY CAR SHOW COMMITTEE REPORT.

The first car show meeting of this year was held on January 15th. It was mostly to get everyone back on board for thinking about the Memorial Cruisin' With the Oldies event this year.

There was some tweaking and preliminary changes to the schedule of events, but nothing big. As we get closer to the show, things will come together more clearly, such as events by John Huff and the "Burnout contest" and whether he can make it happen. Progress is being made on the raffles, awards and publicity.

One new idea of the Valve Cover Races is still on board and progressing. The race crew is finishing the race track, and ready for us to get our racers in order.

We had two young gentlemen at the meeting that are on board for a young generation event for a revised class for "SPORT-COMPACT/TUNER" cars. That will be a change from the "import/tuner class. They have a statewide club that is on Face Book as the "Wyosport" club. So all of you face bookers, check them out. We are excited to have the new generation car enthusiasts aboard.

The next car show meeting will be on February 17th at Stan and Judy's home at 6:30. Anyone interested or want to help with our car show are most certainly welcome. Check out the tentative schedule.

***Stan Goodwin,*** Publicity chairman
