Special awards have been made by Gary Hiatt for Work in Progress, Ladies Choice, Kid's Choice, & Rat Rod. The ref. & pedal car are ready for the raffles. The only cash prize, \$50.00, will be for Hard luck with a tow rope. Sponsor posters with the time schedule of the show have been printed & distributed to businesses. 3 sponsor banners are being made; 2 purchased by Dale Allen, last year's winner & 1 to be shown & auctioned at the show. The Donut Cruise is being rerouted due to Pop in the Shop being closed down because of Jerry K. heartache. The final route will be finished next week with additional suggestions from this meeting. It will start at 8:30 Sat. from the Parkway. Wyo. Auto air brushing demonstration will be at their shop at 1:30. The ice cream handout will be done by Diane, Mary & maybe Millie(someone else will ask her). There will NOT be a burnout at Huff's due to the turmoil at the police dept. & city.

Judy: 65 registrations so far. The questionnaire, Cruise for Cash route, & Donut Dash route will be handed out with registration info. The flyers we have been sent from suppliers will be on the side table as we did last year. It was discussed that somehow we denote something easily recognizable to separate the Work in Progress category for the judges & so the cars will park together. Something will be done but not sure what it will be.

Mark: The photographer will use some of his own backdrops for the pictures, maybe even Alcova. Bar D Sign truck will be used for high angle shots.

Stan: The publicity is running on channel 13 with them sponsoring the promo's & we will pay for the sponsor's thank-yous. They will also do the on-spot interviews. Articles have been sent to the Tribune & Journal.

Jerry R: Has 5 main people on the parking comm., but would like more help so will ask at the next OCAC meeting. Parking will take place from only the main gate. He is getting more candle sticks from the City. The same space will be used for the swap meet.
