

OCAC CAR SHOW MEETING

2/4/15

The meeting was called to order by Chairman Jerry Barton with 15 in attendance.

The treasurer's financial report & budget were presented & approved. (Motion Mark/Jerry R.)

Jerry reported the lease for the Fair Grounds was signed for \$700 which includes the Hall of Champions for \$200. Anyone using the electricity such as vendors, the DJ & etc. 110 will be \$16.50 & 220 will be \$20.00 for the day. The vendor registration fee will be increased to allow for this expense & we will cover the expense for the DJ.

R & R Rest stops will have 6 port -a-potty's at the Fair Grounds for the total cost of \$240. 3 will be donated & we will pay for 3. These will be at the grounds on Friday & we will lock until Sunday.

The PPG trailer with its display takes up 1/3 of an acre & will arrive Sat. night & will be set up on the North end of the Fair Grounds parking lot to be on display all day Sunday. Paul Meyer of Wyoming Automotive has made all the arrangements for the truck to be here. The registrant's cars will enter in the West gates & head toward the South end of the parking lot. The pictures will be taken on the North end. Walking traffic will enter at the South gate. The aerial photo will be taken at the North end by B & D Signs. Vendors will come in the West gate, with some arriving on Sat. night.

NCHS Color Guard will arrive at the Fair Grounds on Sunday at 8:45 & will do the flag ceremony at 9:00.

Jerry & Pat met with Stephanie Trapellini from the **Parkway** to confirm arrangements. The **parking** lot will be roped off from Fri-Sun. 30 sleeping rooms are being held for Fri. 22nd & Sat. 23rd at the rate of \$72.00 per night. OCAC name must be used to take advantage of this rate; instructions to be included on the registration form. There is no charge for the raffles & registration rooms that we will use on Fri. & Sat. We will qualify for a free sleeping suite, yet to be determined who will use it. Suggestions that the PPG drivers or the photographer use it. The parking lot will be roped off for our use on Fri. & Sat. The ice cream social will be held after the Cruise for Cash on Sat. with cash bar at 6:00 & ice cream served at 6:30. Chocolate & vanilla flavors with several toppings; the cost being \$6.00 including tax & tip. Z's Classics will donate \$2,000 toward this event which we estimate will be about \$3,000 so we will find an additional sponsor. *Put on your thinking caps to come up with some kind of program*

Cruise for Cash route has not been finalized & probably won't be until May to be certain about any construction. Jesse can still use more help. The Cruise will depart at 3:30 from Yellowstone garage to allow for more time before the ice cream social. Tickets will again be in the lanyards & **must** be shown if they win one of the pots.

Donut Tour will wait until Phil returns.

Raffle items are being ordered by Rick Thurston & we will pay for the items. Barstad's will paint the pedal car. It is not certain if the Humane Society will participate in a 50/50.

Coke has not been approached yet about doing a banner but Jesse will talk to them.

Swap Meet will again be done by Darce Law.

Voting ballots will be counted by Mike with 4 volunteers to help.

The web site has the show & registration information. Mike wants better sponsor logos than we had last year to put on the web site banner so he will work to make that happen.

The DJ price is the same as 2014. He has requested that all announcements be done in writing & given to him; that way he will repeat the announcement several times. Jerry also asked that the DJ play 50's thru 70's music. The announcers will be Jerry B., Stan & Phil.

The **valve cover** races are scheduled 10:00-2:00 with this being an official race. Awards will be given during our awards presentation. The participants may sign up during registration hours-this sign up is still to be determined.

Registration forms will be mailed in March or after we hear from Fremont Motors. Judy suggested we have a drawing for early bird registration such as anyone who registers prior to & including March. Maybe this could be the free suite at the Parkway. Membership sign up forms need to be at registration.

Stan has talked to Fremont Motors about a car show at the same time as the mustang show at Greiner's on Friday. They will decide right after Feb. 10th. If the answer is yes, we will include their info along with the other show in our registration. Maybe if they don't want to do a show, they would be interested in co-chairing the ice cream social. Perhaps Greiners would like to open their show to all Fords. It was suggested that Foss Motors be asked if they want to do a show on Friday since most of the tuners come from there.

It is still in discussion as to the **awards** being hung or on bases.

The art work is finished with last year's winner, 1932 Ford coupe. The white Henley t-shirts will be ordered soon. Sweatshirts will also be available for just OCAC members; to be ordered at the next OCAC meeting so they can be printed at the same time as the shirts.

Publicity chairman Stan will meet with Channel 13 on Feb. 10th to outline a schedule for radio & TV. "See my ride.com from Montana will also feature us on their web site.

Wyo Sport is again willing to help & expect about 20 cars to enter the show with them doing their own trophies at our award presentation. Jessica Arnold is their leader.

The meeting was adjourned at 8:30. March 4th at 6:30 at Goodwin's is the next meeting date.

Secy/Treas. Pat Potter
