

WSRA Rodder's Rep, East

A good thing has happened, our State Legislature has revised front license plate requirements. Under law 31-2-205, our Legislature wrote into law that front license plates need not be displayed on certain vehicles that was originally manufactured without a bracket, device or other means to display and secure a front license plate was passed and signed into law by our Governor to be effective July 1, 2015. Along with this new law they revised the Custom Vehicle requirements. They removed the requirement to have a front plate on any Custom Vehicle after 1968. In other words any CV license there is only one plate required on the rear.

The State Representative Stan Blake from Sweetwater county was the one that sponsored the bill and we thank him for that. In face if you would like send him a note thanking him for looking out for our hobby. His address is:

Stan Blake
P.O. Box 774
Green River, WY 82935

He is also on the SEMA board of Legislators for our State. Check SEMA out and become a member of this national organization.

Just a little reminder of the Longmire days car show in Buffalo on July 18th in Buffalo. Contact Dan Wasserburger at 684-7416. Also you can email dwasserburger@hotmail.com.

We will look forward to seeing you next month at the WSRA spring meeting. We will have further details on the WSRA picnic in August. See you there and be safe.

Stan Goodwin
