There was also some discussion about a sound system the club owns. It was used several years for the car show and is now just taking up space. The speakers are very large and take up a lot of room in the trailer. When Stan gets home they will bring it up with him and we will have more discussion on this matter at a later date.

Bruce Berst was parked near someone at Deer Creek Days that has a 1964 T-Bird he would like to sell \$18,000.00 if you are interested Bruce has the contact information.

Jerry Barton made a motion we donate \$1,000.00 to the Food for Thought group. These are kids that qualify through the school system for reduced lunch and breakfast. On the weekends sometimes they have no food. This organization puts bags of no perishable foods together for these children to take home and fix for themselves over the weekend. This is geared to their age and ability to fix it themselves. Wyoming Food for Thought Project is Wyoming-based, run for the people of Wyoming. The motion was 2nd by Tammy Raver and voted and passed by those present.

Mike Kennedy received an e-mail there will be a Tri Motor Plane at the airport Hanger 1 8220 Fuller St and they would like some cars of that Vintage contact Mike for more information. This will be held Aug 25th-28th
