Congratulations to our veterans and Thank you for your service. Thanks so much for coming to the meeting so the club members could meet you also.

The October club meeting Jerry Barton passed around a signup sheet for the next 2 cruises and also a signup sheet for anyone who may be interested in running for an office in November. We have 2 spots available one for Vice President and also the Secretary/Treasurer, when I took on the newsletter position last year I was in hopes someone would step forward and take on the Newsletter position, big surprise no one did. If I missed anyone let me know again only the month is necessary.

Jerry Russell, Jerry Barton and myself on several occasions have tried to find thing pertaining to the club in the club trailer

On several occasions we have come across several items that should be saved and shared with the club. There was a flag sent to the club several years ago from Lt Col Ken Phillipat. Lt Col Phillipat had attended the car show in Casper and sent a nice letter (attached to flag). This Flag was requested by Lt Col Ken Phillipat to be flown 23 Mar 2008 in honor of what we do for the Veterans in the name of Oil Capitol Auto Club, it had been stored away in a box and forgotten about. Jerry Russell took this flag and had a beautiful shadow box made for it and presented it to the club at this last month's meeting. We will display this beautiful keepsake at our meeting's. I am enclosing a photo for those of you who can't attend the meetings.

While on the subject, we have tried to come up with a solution for all the plaque's we have nowhere to display them so I am working on taking pictures of these, the photos will be displayed in an album also at the club meetings. We have lots of really neat old stuff and I am going to try and save as much of this history as I can.

This Flag was flown for Oil Capitol Auto Club over Bagdad March 23 2008. I was requested by Lt. Col Ken Phillipart.
