1967

Turbulent Times produced Memorable Moments.

Summer of Love, Age of Aquarius-whatever you call it, 1967 was marked by turmoil and change. The U>S> was embroiled in the Vietnam War, with our troops in the region totaling more than 500,000. Anti-war demonstrations erupted coast to coast. The Supreme Court decreed mixed-race marriages constitutional; DNA was created in a test tube. Television Pitched comedy, variety and intrigue, while music rocked us with the British Invasion, Sonny and Cher-one of music's first power duos-and *Billboard's top female vocalist, Aretha Franklin.*
