Dear Friends,

Thank you! Your generous gift of \$800.00 will help the Wyoming Rescue Mission care for poor and homeless men, women, and children. Because of you, those who are hungry will have a meal, those in need of rest will find a safe place to sleep, and those who are discouraged will find hope.

You may not realize it, but each time you give to the Wyoming Rescue Mission, not only are physical needs met, but even more importantly we have the opportunity to share the Good News with those who come to us for assistance. With God's love, forgiveness and hope, hurting individuals and families begin a refreshing pattern of living for His plan and purpose.

Here at the Wyoming Rescue Mission, homeless people's hearts will be deeply touched by God's love and grace and you play an important part in this outreach. Thank you so much - may He richly bless you.

In His Name,

Brad Hopkins

My Car:

This month's My Car is actually a For Sale item. Many of you may know Tom Colburn who owns the Cottage Café and makes some really great street tacos (I Know). Tom's car was a President's Pick a few car shows back, but now he is faced with a teenager with teeth. A great many of us know what that will cost. Therefore, Tom has advised that his 1972 Dodge Dart is currently up for sale. A very nice video of the car can be viewed at www.youtube.com/watch?v=6iUimWdferY. As I understand it the interior is original but the rest of the car has been redone. I believe that the car is located at Gateway Classic Cars in Indianapolis, IN or contact Tom for more information.
