Thank you
so very very
much!
Mandi

And my sincere thanks.

Thank you for the amazing
car show that was put on at
Shepherd of the Valley. The
residents loved seeing all
the different cars on display.
They were in awe by the memories
that flood their bodies with
emotions. So many smiles
appeared in the crowds of people
as they reminisced on the past.
So thank you again for that
precious gift. Shepherd of the Valley
