### Considerations:

- Possible topics
  - o Technical information for car enthusiasts
    - Examples: Fuel, lubricants, tires, braking systems, suspension systems
      - Local vendor, merchant, technician who has knowledge
- Community interest
  - o Non-profit, charitable, or service organizations
    - What do they do for the community
      - Besides financial support what can be done to assist their work
    - Presented by a leader or board member of the organization
- Representative of a city or county department
  - o How does their department support citizens or community as a whole
  - o How is their work accomplished
- Anything else that would be of interest to club members
  - o Stretch the imagination
- The above schedule will be posted to the website
