(Excursions and Events Planning continued)

Considerations:

- Think of fun things to do or places to go
 - o Short trips can be any night of the week
 - o Longer trips on weekend
- Two car shows listed above to assure 'schedule deconfliction'
 - o Encourage maximum OCAC attendance at these two nearby car shows
- Other weekends, there are numerous car shows in region
 - o Adding excursions gives OCAC members multiple choices on summer weekends
- The above schedule will be posted to the website
