Considerations:

- Possible topics
 - o Technical information for car enthusiasts
 - Examples: Fuel, lubricants, tires, braking systems, suspension systems
 - Local vendor, merchant, technician who has knowledge
- Community interest
 - o Non-profit, charitable, or service organizations
 - What do they do for the community
 - Besides financial support what can be done to assist their work
 - Presented by a leader or board member of the organization
- Representative of a city or county department
 - o How does their department support citizens or community as a whole
 - o How is their work accomplished
- Anything else that would be of interest to club members
 - o Stretch the imagination
- The above schedule will be posted to the website
